Forest Ridge Ward Mission Plan 2026

Theme: "Lift Where you stand" (D&C 58:27) Be anxiously engaged in a good cause.

Focus Areas.

1. **Youth Centered Missionary Efforts**

   -Goal: Empower youth to actively participate in member missionary work by fostering love for the gospel.

   -**Activities**

   *Host a quarterly **Youth Invite Night** where youth invite their friends to fun, gospel centered activities. (game nights, service projects, devotionals).

   *Call and set apart **"Youth Ward Missionaries"** with a team of young members who assist the ward missionaries in planning and hosting events.

   *Encourage youth and families to use social media to share inspiring gospel content or personal experiences.

   * hold weekly **"Pre MTC Trainings"** with learning from Come Follow Me, Games and role-playing discussions.

2. **Service Opportunities**

   -Goal: Teach youth and families to share the gospel through Christlike Service.

   * Activities:

   - Plan **Quarterly Service Saturdays** with youth and their friends (yard clean-ups, food drives, or community outreach).

   -Partner with local organizations to give youth more chances to serve and build relationships in the community.

3. **Family and Youth Missionary Goals**

   -Goal: Strengthen families by setting family-orientated missionary goals.

   ***Activities**:

   -Encourage families to set **monthly goals** for missionary efforts (invite someone to church, share a Book of Mormon, or host a dinner with neighbors).

   -Provide training on tools such as **family-friendly gospel resources** to help youth share the gospel with their peers naturally.

-Hold a **5th Sunday Family Missionary Workshop** with breakout sessions for parents and youth.

4. **Testimony Development**

   -Goal: Strengthen the youth's testimony to prepare them for missions or lifelong service.

   ***Activities:**

   -Plan a **Ward Mission Youth Fireside** every six months with inspirational speakers and music.

   ***Include youth in regular fasts and prayers for missionary opportunities in the ward.

Key Leadership Roles

1. **Youth Mission Leaders:**
   - Assign two youth to assist the ward mission leader in organizing and promoting youth-specific missionary activities.
   - Work closely with the young men and women presidencies.
2. **Ward Missionaries:**

   -Pre MTC Youth to teach simple missionary lessons and accompany Full time missionaries on service projects or teaching opportunities.
3. **Parents and Families**

   -Hold **monthly missionary family councils** to discuss goals, report progress, and encourage the youth.

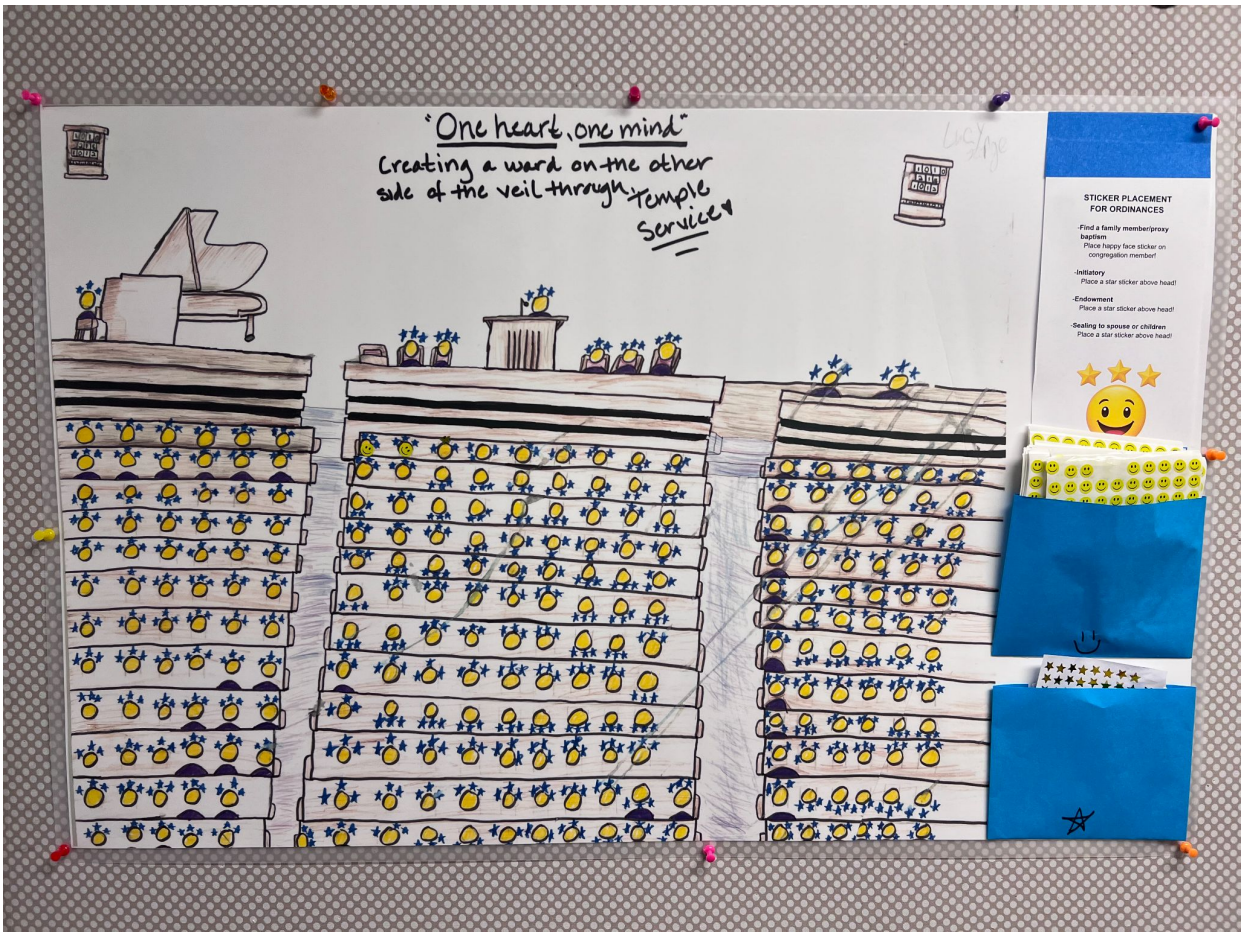

Benchmarks & Accountability

-Use **Ward Council Meetings** to discuss progress and evaluate goals.

*highlight youth missionary success stories during sacrament meeting or youth activities.

* Track participation and new opportunities quarterly to ensure steady progress.

By focusing on the youth, this plan not only strengthens future missionaries but also creates a vibrant, service-oriented, and welcoming ward environment.

"One Heart, One Mind"
Building Zion on Both Sides of the Veil

As we worship in the temple, we have the opportunity to bless the lives of our brothers and sisters who are waiting beyond the veil to receive the saving ordinances of the gospel.

This display represents a "ward" on the other side of the veil. As members of our ward participate in proxy ordinances, we symbolically help build this ward, one soul at a time.

How It Works:
After completing a proxy ordinance, please add a sticker:

😊 Proxy Baptism – Place a smiley face on one of the yellow circles.
⭐ Proxy Endowment
⭐ Proxy Initiatory
⭐ Proxy Sealing – Add one star above the same yellow circle for each ordinance completed.

As these stickers fill the board, we'll see a visual reminder of our ward's collective effort to bless God's children and unite families through temple service. Thank you for helping gather Israel and bless God's family on both sides of the veil. (See bulletin board outside the Bishop's office)
